

YOUR BEAUTY, OUR DUTY.

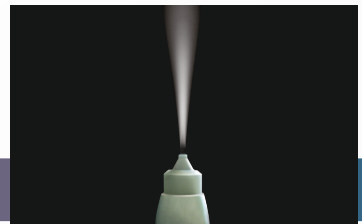

AQUA^{AV} OXYGEN JET PEEL

Aqua - AV is Woxmen's Oxygen Jet Peeling technology that can improve and replenish skin texture and tone. The non-invasive machine has a variety of applications including face lifting, deep cleaning, pigmentation removal and acne removal. The product is also efficient in handling all types of skin problems like black rims around the eyes, skin fatigue and skin improvement. Skin whitening and rejuvenation is another feature of the technology that helps you get clean and brighter skin with the effective use of the product.
